

## **OCCUPATIONAL HEALTH AND SAFETY, ENVIRONMENT AND QUALITY POLICY**

As GGN MÜHENDİSLİK DANIŞMANLIK ÇELİK İMALAT MONTAJ SANAYİ VE TİCARET A.Ş.;

We accept and commit to fully comply with below policies and its objectives and requirements,

To ensure that our projects are carried out in a timely and quality-oriented manner, in line with customer acceptance criteria, in a way that best meets the occupational health and safety conditions of all our employees,

To include qualified workforce by providing all the conditions required by our Integrated Management system,

To ensure continuity in customer satisfaction, to meet their expectations and to handle customer feedback effectively,

To ensure that the nonconformities that occur in the system are reviewed regularly and in a planned manner by the senior management to support continuous development and to prevent their recurrence,

To ensure that all of our employees receive and maintain all necessary training, primarily occupational health and safety training,

To ensure that within the framework of Integrated Management Systems, all of the work to be done is documented, recorded and constantly updated to ensure that GGN Engineering employees have the easiest access to this information.
